

Health & Safety at Work

Duration: 1 Day

The Chartered Institute of Environmental Health (CIEH) Level 2 Award in Health and Safety in the Workplace is a general health and safety course and a stand-alone qualification. There are no specific pre-requisites. Successful completion will prepare delegates to look carefully at work activities and contribute to a safer workplace in co-operation with their Managers.

Who should attend:

The aim of the course is to enable delegates to work safely, to provide awareness of the dangers and hazards, and to offer practical steps to reduce workplace accidents and encourage workers to adopt a culture that results in a safer workplace.

Course Content & Agenda :

The qualification covers the following topics:

- Health and Safety Legislation
- Health, Safety & Welfare
- The workplace and workplace equipment
- Risk assessment
- Manual handling
- Hazardous substances
- Ergonomics and workstation design
- Transport and vehicles
- Noise and vibration

Qualification information:

Designed for: All employees
Course duration: 6 hours
Assessment method: Multiple choice examination
QCA Accredited: Yes
